About the Show

Follow the epic love story of an American GI named Chris and a young Vietnamese woman, Kim, who is orphaned by war and has to work as a bargirl in a sleazy Saigon nightclub owned by The Engineer. John, who is also an American GI, buys Chris the services of Kim for the night – and it’s a night that will change the course of their lives forever. Get whisked away in this harrowing tale of romance and heartbreak when Miss Saigon graces the Broadway stage once again.
